A masterpiece is something that took a lot of time, practice, and skill to make. Different types of things can be considered masterpieces, like a painting, a house, or even a car! God is the greatest masterpiece maker of all time, because he made you—his greatest creation of all.

DRAW THREE THINGS ABOUT YOURSELF YOU'RE GRATEFUL GOD MADE:

One thing that makes a masterpiece so special is that it's one of a kind. This devotional series will help you discover, through God's Word, the special ways God made you to be his masterpiece.

WEEK 1

ATTENTION! REPORT FOR DUTY!

From far across the earth I brought you here and said,
"You are my chosen servant. I haven't forgotten you."

Isaiah 41:9

Attention! Listen up you mini recruits!

Do you know the great commander, the master of the universe, the Lord God Almighty knows you? And do you know he loves you? And do you know you are part of his fight for good? No matter how big or how small you are, he has a job for you to do. Not just when you grow up, but even now, right where you live.

He picked you to be in your family. And he knew your family would be in the Military. He has plans for you, wherever the Military sends you. You are important to him! You can do important things, like be a friend to someone who is sad.

So report for duty! Get ready to follow your commander God and do whatever he asks you. He will be there with you, helping you with everything. He is the best leader to follow!

God, it's amazing that you choose me to work for you!

Every ant has a special job to do,

(In this great big world, God has special jobs made
just for you, too!)

I NEED A HERO

The Son of Man did not come to be a slave master,
but a slave who will give his life to rescue many people.

Mark 10:45

What is a slave? It can mean someone who is forced to work for someone else, which is a bad thing. But sometimes we can choose to serve others, like your Military parent does when they serve our country.

Do you know who shows us how to serve the best? Jesus. He came to serve us. He knew we all needed to be rescued or saved. But... rescued from what?

Humans chose not to listen to God and to do wrong things. But since God is perfect, that means we could not be with him anymore. God did not want that to happen because he loves us and wants to be with us!

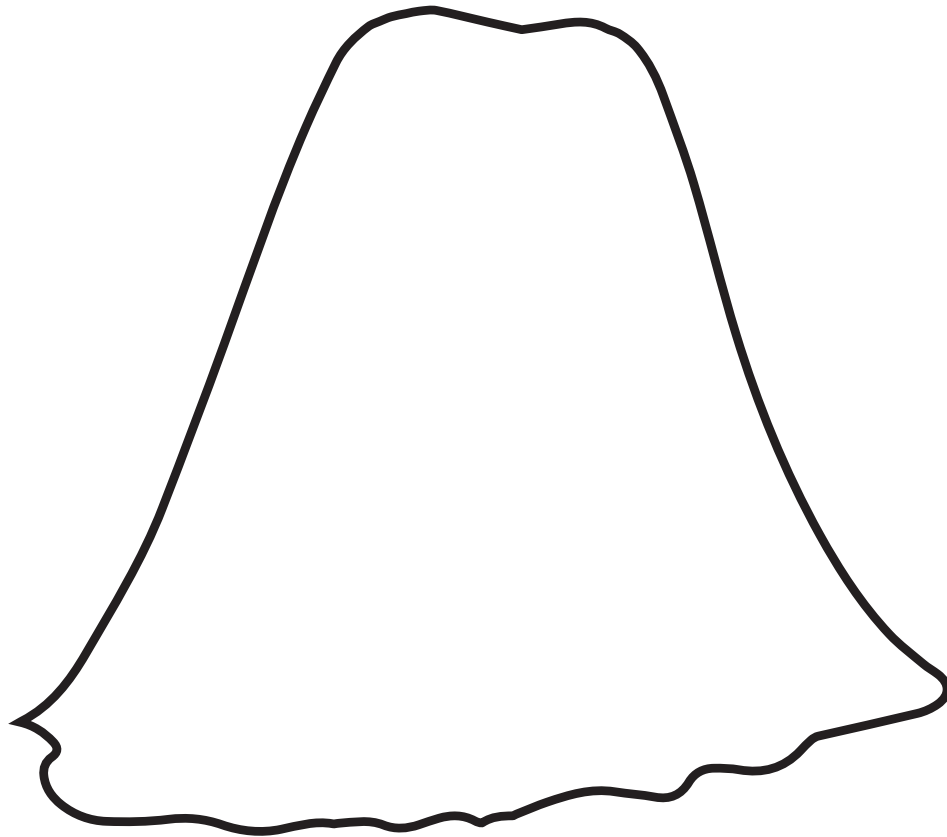

God sent his son, Jesus, to help us. When Jesus was killed on the cross, he rescued us because he took our place. Because of this, if we believe in him, we can really know him and get to be with him forever in heaven. Jesus is our true hero!

Jesus is our true hero. He rescued us when he gave up his life on the cross!

WEEK 3

FINDING GOD ON HARD DAYS

I patiently waited, LORD, for you to hear my prayer.
You listened and pulled me from a lonely pit full of mud and mire.
You let me stand on a rock with my feet firm.

Psalm 40:1-2

Some days are kind of sad. Sometimes friends move away. Sometimes your parent must go away on a mission. Sometimes there's nothing wrong, really, but you just feel a bit sad, like you're stuck in the mud.

God knows. He knows everything about you! He knows what makes you happy and sad. He knows what is going to happen in your life. He wants all your days to be happy, but he knows sometimes that's not possible in this life.

God, I'm having a bad day today. Thanks for being here for me.

And even though he knows everything about you—even *what you're thinking!*—he still wants to hear from you. Did you know that? You can talk to God and he will listen! When you pray, you don't need to use fancy words or hold your hands in a special way. You can just talk to God and share what you are feeling.

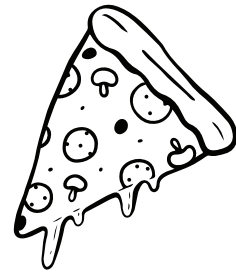

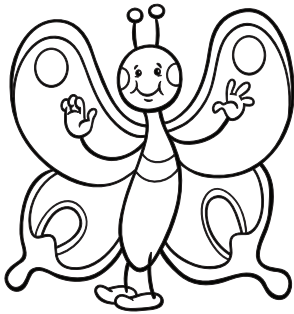

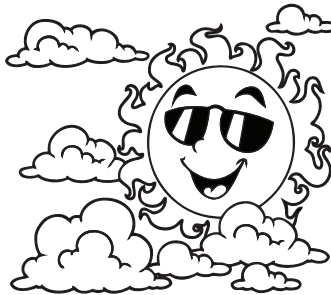

This week's Scripture reminds us that when you talk to God, he hears you and listens. He will help turn your bad days into better days! So take some time this week to talk to God. He is waiting to hear from you!

MASTER

HERO TRAINING

Even on sad days, God sends us good gifts. It's helpful to remind yourself of these things when you're feeling sad, because it will remind you of God's goodness and love for you! This week, if you see any of the gifts below in your life, color them in!

GOD'S WONDERFUL WORLD

Lots of animals, like crawfish,
turtles, pigs, and alligators, like to
hang out in the mud.

SLOW AND STEADY

And we must be determined to run the race that is ahead of us. We must keep our eyes on Jesus, who leads us and makes our faith complete. He endured the shame of being nailed to a cross, because he knew that later on he would be glad he did. Now he is seated at the right side of God's throne!

Hebrews 12:1b-2

A pigeon, a turtle, and a raccoon decided to run a race.

The raccoon moved fast across the grass, but he suddenly smelled something around the corner of the house—the garbage can! Forgetting about the race, he ran to the can and started eating the thrown-out banana peels and food scraps. *(Gross!)*

The pigeon took off fast into the sky, flying high. Some kids spotted the bird and pointed at her. Liking the attention, she started doing tricks in the air to show off. The kids clapped and the pigeon soon forgot all about the race.

Finally, the turtle trudged along. Slow, but steady. Step by step. He just focused and kept going.

And guess what? The turtle won the race!

Living the way God wants is like running a race. We run the race well by doing what Jesus says and staying focused on him. Jesus loves us so much, and he is always there to help us stay on the right track.

Run the race of life with Jesus! He will help you do the right thing.

WEEK 5

GOD IS WITH YOU

The LORD hasn't lost his powerful strength;
he can still hear and answer prayers.

Isaiah 59:1

Antonio's Dad was going far away . . . again. They wouldn't even be able to FaceTime him very much this time. Even though they tried to say it was fine, he could tell his parents were nervous. He would find his mom crying sometimes.

Antonio's mind kept dreaming up all kinds of bad things that could happen to his dad, and to his family while his dad was gone. Nightmares kept waking him up at night.

What could you tell Antonio to help him during the times when he is afraid?

You could remind him that, because God is everywhere, he will be with him and with his dad at the exact same time. Tell him God hears every prayer we pray. Tell him next time he has a nightmare to say, "God is still strong! He hears my prayers!" God hasn't become old or tired or too far away to hear you. He is very close!

Instead of nightmares, pray God replaces those scary thoughts with thoughts of God's powerful strength, like this week's verse talks about. God will help Antonio's dad . . . and Antonio . . . *and you!*

Dear God, I know you hear my prayers. Please protect me and my family today.

DOING GOOD

I am the vine, and you are the branches. If you stay joined to me, and I stay joined to you, then you will produce lots of fruit. But you cannot do anything without me.

John 15:5

Take a nice, long, deep breath.

Breathe in.

Breathe out.

Did you know that every time you breathe, hundreds of things work just right in your body? Your nose hairs must catch dust and dirt to keep it out of your body (and then it makes boogers with it!). Your throat must be clear of milk or juice (otherwise they will come out of your nose!). Your lungs must fill up like a big balloon. The muscle above your stomach must move to make room. Your blood rushes by the lungs to pick up what it needs out of the air to help keep you healthy.

Wow! It's a miracle just to breathe.

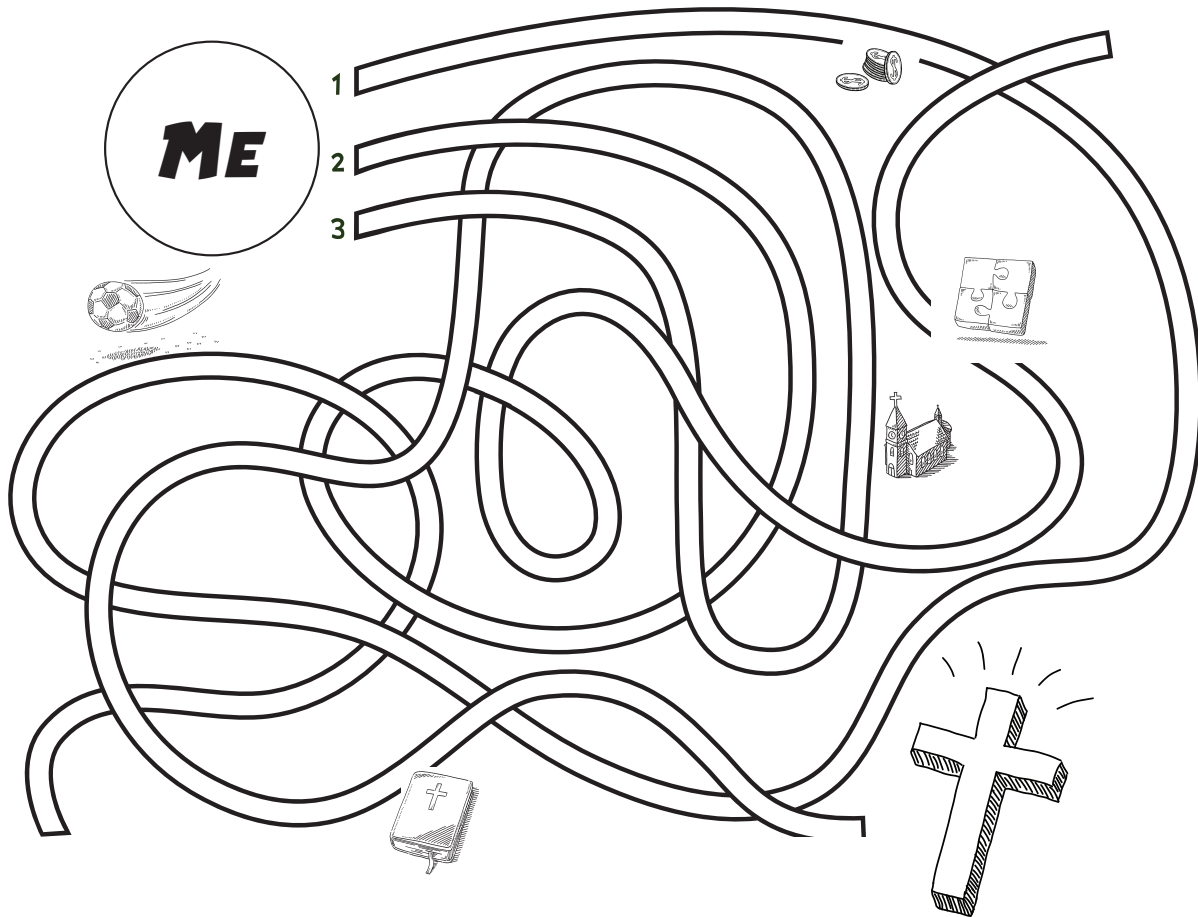

Our bodies can't work well without God's help. In the same way, we can't do good things without Jesus's help. When we ask Jesus to lead our lives, he changes what we want to do. When we keep following Jesus, listen to him, and do what he says, he will help us do good things!

Jesus, please help me to stay connected to you so we can do amazing things together!

WHEN YOU CRY

Praise God, the Father of our Lord Jesus Christ! The Father is a merciful God, who always gives us comfort. He comforts us when we are in trouble, so that we can share that same comfort with others in trouble.

2 Corinthians 1:3-4

Do you know Jesus sees you when you cry?

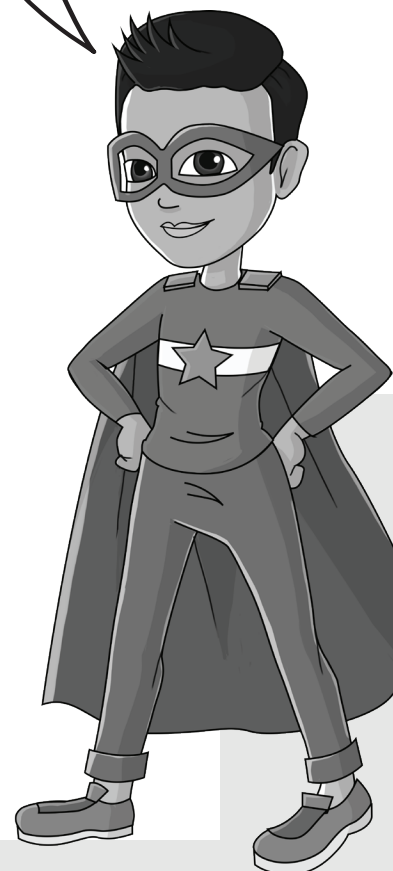

Do you know he is sad with you?

Jesus understands what it is like to scrape your knee, miss someone you moved away from, or feel alone or left out. He understands because he was a kid once, too! When Jesus came to earth as a baby (what we celebrate at Christmas time), he grew up like all the other kids did. So he really gets what you are going through!

This week's Scripture reading talks about the comfort that God gives. To comfort someone means to help them feel better—to bring them relief from the pain they feel. God wants to give you this relief. He invites you to come to him on your good and bad days. He will help you and your family get through hard times. Sometimes it just takes a while for things to get better and for you to feel better.

And God promises that they will!

Jesus, it's cool that you were a kid once, too! Thank you for understanding what I'm going through.

HERO TRAINING

Everyone has good days and bad days. Each day this week, think about how you are feeling, and color the matching emoji on the calendar below. Ask God to help comfort you on days when you might not feel so great. He will be right there with you, helping you get through it!

Asian elephants understand when their friends are feeling sad.

They offer comfort by making a chirping sound or hugging their fellow elephant with their trunk.

BETTER THAN A BEST FRIEND

You have looked deep into my heart,
Lord, and you know all about me.

Psalm 139:1

Sometimes you get lucky and find a best friend who seems to think the way you think. Just when you start to dream about an ice cream sandwich, they offer you one. When you say, "Let's go for a bike ride," they say, "That's just what I was thinking!"

But even best friends, siblings, and parents don't always understand you. Sometimes *you* don't even understand you.

But God does! Can you believe it? He knows everything about you, like how many hairs are on your head and how fast your heart is beating. He even knows what you are going to think before you do. He knows what you really want and what you really need. He understands why you do things. There's no hiding from him!

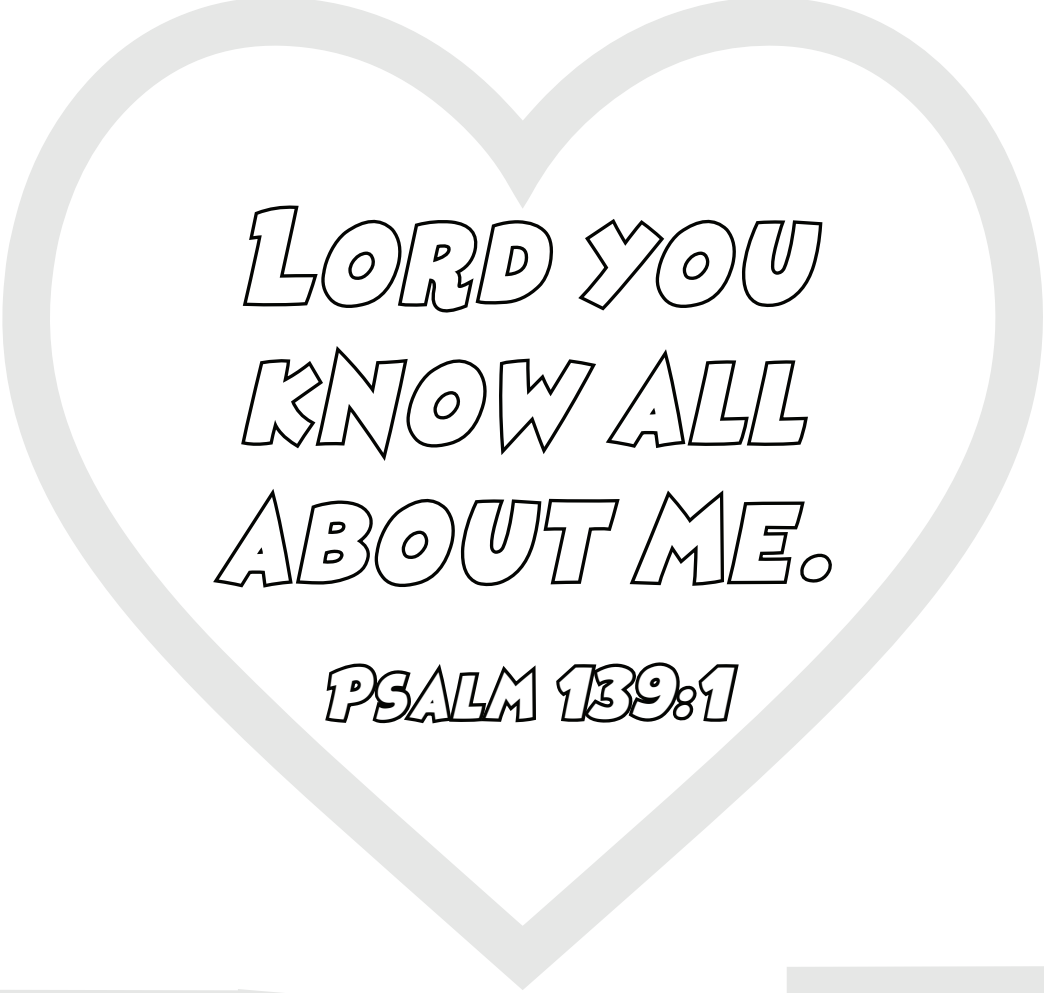

God knows it all because he made you and he loves you. You can always talk to him, knowing he understands you more than anyone else ever will. He really is better than a best friend!

Lord, it's amazing how you know everything about me. You truly are my great and mighty God!

JUST LIKE JESUS

Day and night they never stopped singing, "Holy, holy, holy is the Lord, the all-powerful God, who was and is and is coming!"

Revelation 4:8b

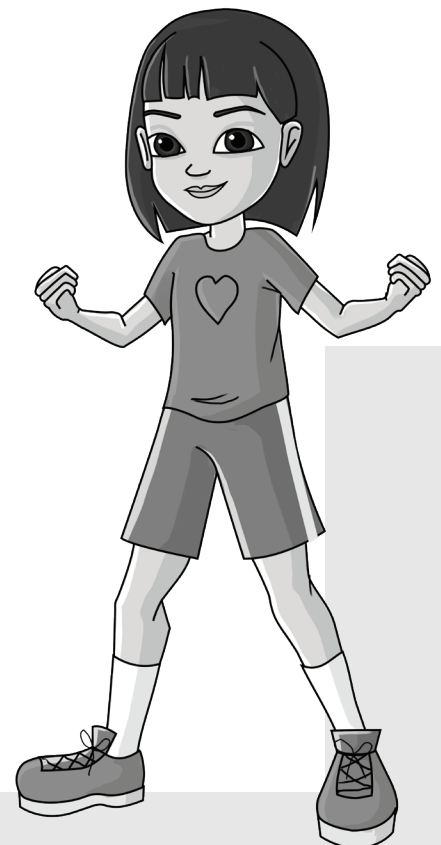

Imagine you are outside a fence, looking in at a perfect place. Everything is beautiful and happy. You really want to go in, but the guard looks at you and says, "No, we can't have anyone in here who has ever been selfish." Being selfish is thinking of yourself before you think of others.

Jesus, I want to take your hand. Come into my life and make me holy like you!

Never been selfish? But *everyone* has been selfish at some point, at least in how they think! Knowing this, you turn away from the guard, sadly.

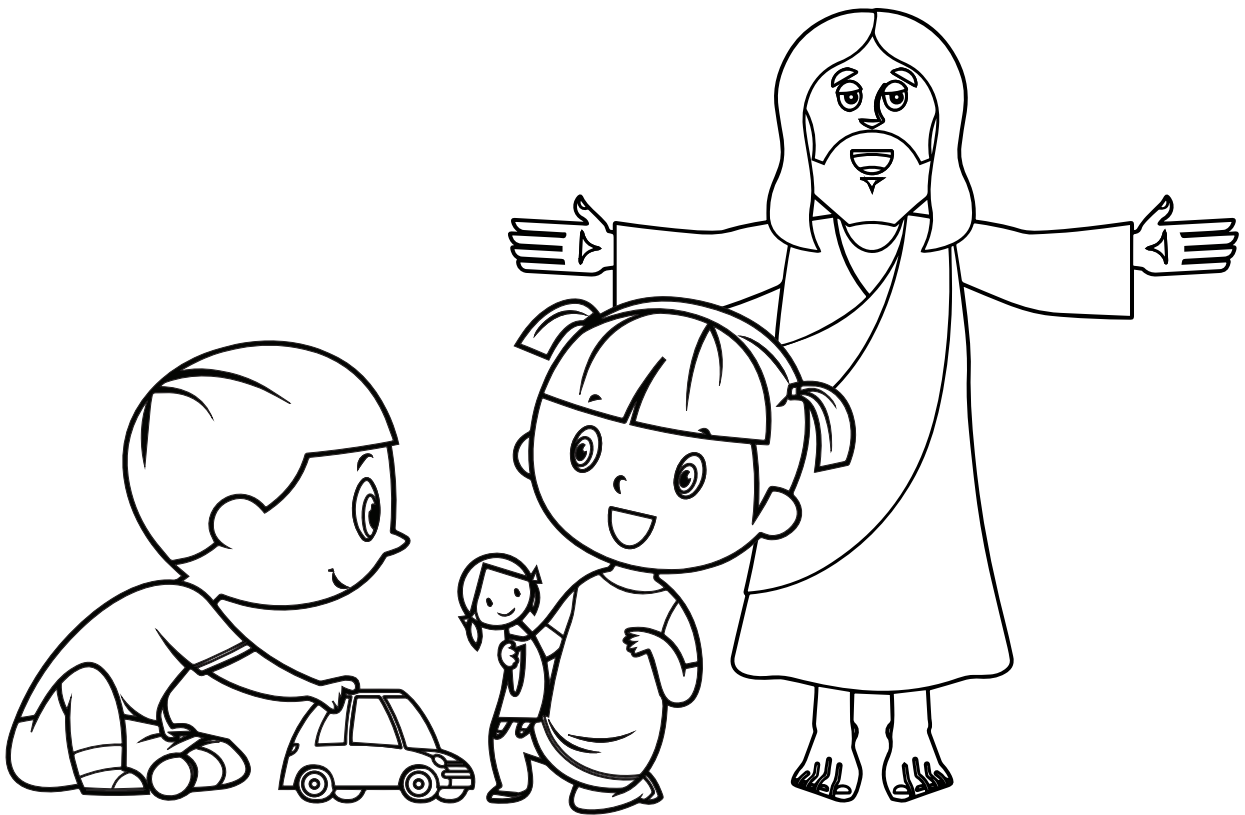

But then Jesus comes through the gate. He is perfect! He's the only one who has never been selfish. He reaches his hand out to you and asks, "Want to come in?" And standing with Jesus made you not want to be selfish anymore.

God is holy, which means he is perfect. We could never be with him if we didn't take Jesus's hand. We do that by asking him to forgive us for all the wrong things we do. When we do, Jesus forgives us and makes us want to be holy, too.

HERO TRAINING

Jesus helps us become holy like him. What is something selfish you keep doing that you really wish you could quit? Color in the picture below. As you do, think about that selfish act and ask Jesus to help you stop doing it.

BIGGER THAN EVERY SCARY THING

Don't be afraid. I am with you. Don't tremble with fear.
I am your God. I will make you strong, as I protect you
with my arm and give you victories.

Isaiah 41:10

What's the biggest, scariest thing you can think of? Now think about God. How much bigger is he? Imagine this: he can hold the whole world in his hand!

Would he hear you if you asked for help? of course! He is the *best* listener there ever was!

Would he care if you needed him? Of course! He cares even more than your parents! And that's a lot!

When we say God is big, we don't just mean in size. It also means his power is big. He is more powerful than any scary thing around us. So when you are feeling scared, you can always ask God to help you. The big and powerful God will come right beside you and stomp out those scary things so you can feel safe.

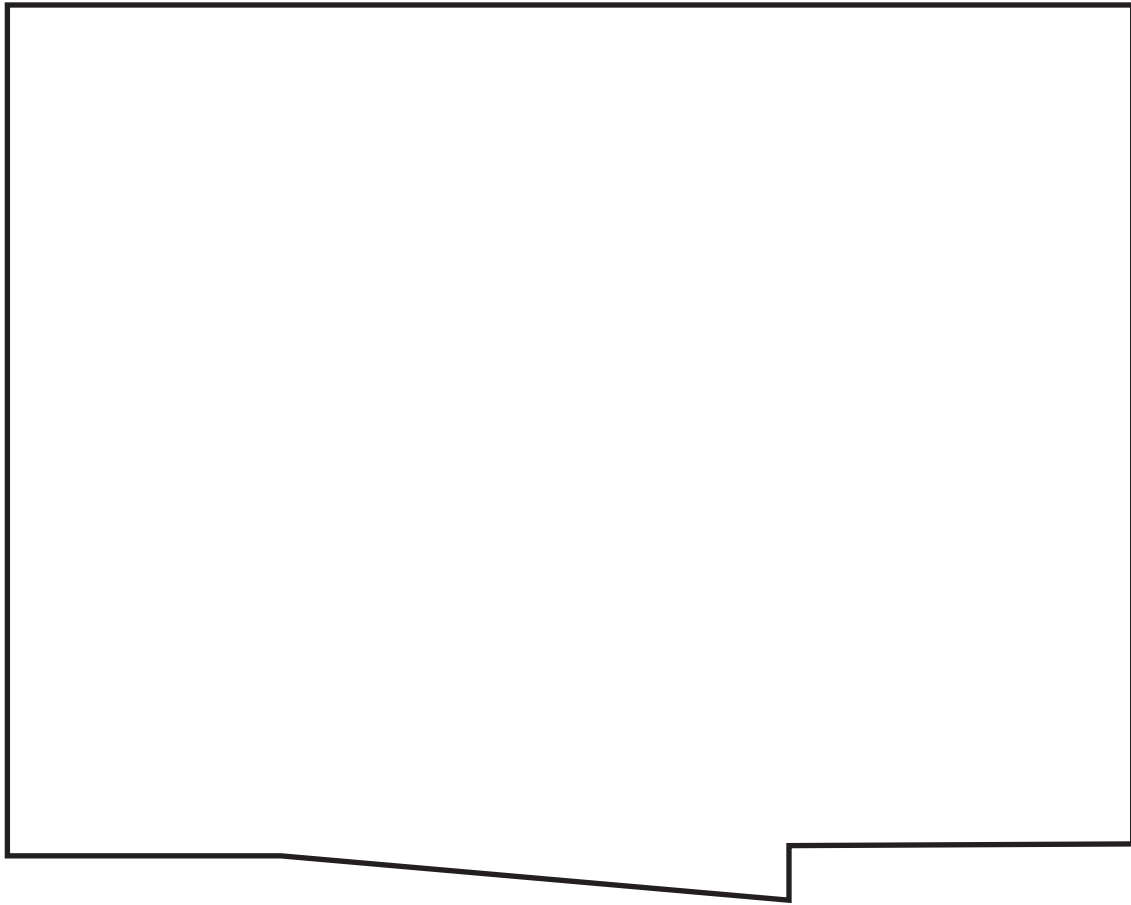

Life can be fun knowing God is taking care of you so you don't have to be afraid.

God is bigger than everything you worry about, so you don't have to be afraid.

HELP TO DO GOOD

I have told you this, so that you might have peace in your hearts because of me. While you are in the world, you will have to suffer. But cheer up! I have defeated the world.

John 16:33

What makes you angry? When do you just want to be mean? What are you thinking when you know something is wrong, but you do it anyway?

Sometimes we just make bad choices! We do things we know we shouldn't, and we know we will get in trouble for them. We just want to do what we want.

We need to fight against the part of ourselves that wants to do bad things. But we can't do it on our own. God helps us fight! He is so powerful!

When you think, "*I shouldn't do this*," that's God talking! God always makes a way for you to stop making bad choices, like stopping yourself before you say something mean, leaving the room before you take the toy away from your brother or sister, or asking your parent for help.

God is stronger than your bad choices and he can help you do the right thing.

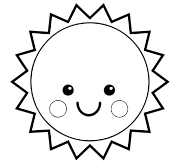

God, help me do the right things. I need you!

WEEK 12

WHEN THE RIGHT THING ISN'T EASY

If you are tired from carrying heavy burdens,
come to me and I will give you rest.

Matthew 11:28

Dad said to play with your little brother, but
he's so annoying and is making you mad.

Mom said to clean your room, but there's so
much stuff to put away.

Your teacher said to be quiet, but you already
have to be quiet so much in school.

It is hard to be good sometimes! It can wear a kid
out. God wants us to be good, too. And the great
thing is, he promises to help us do it!

Imagine God helping you to be nice to your
brother, giving you strength to clean your room,
helping you stay quiet when you have to. Jesus
doesn't give us a bunch of rules to make us tired.
He knows it's hard for us to always do the right
things on our own, so he offers to help us.

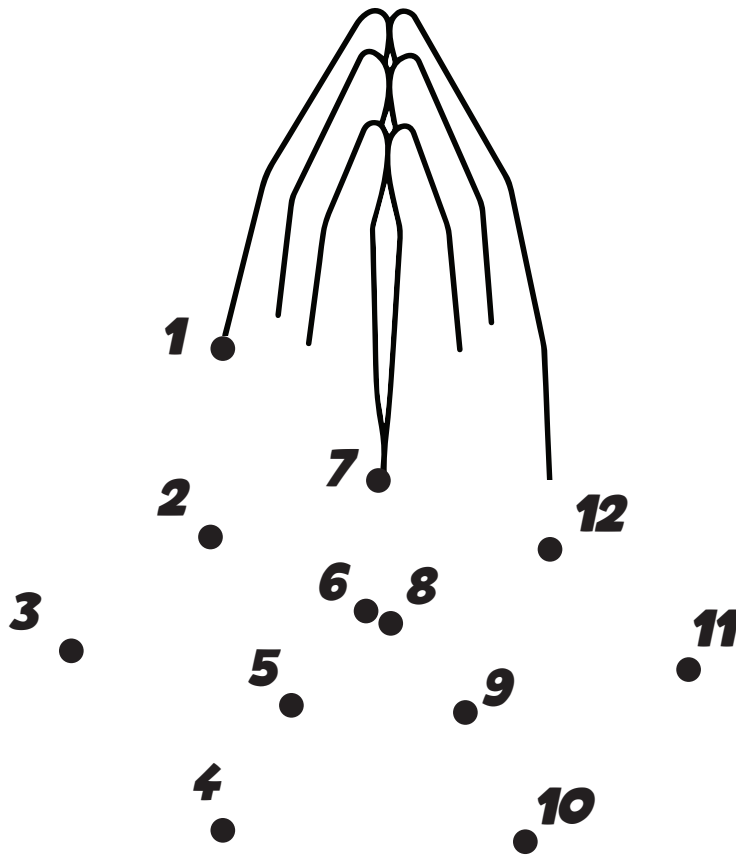

So this week if you find it hard to listen to
instructions, obey your parents, or be kind to
others, turn to Jesus. Pray and ask him to help you
do the right thing!

Thank you, God, for
helping me do the right
thing... even when it's hard!

HERO TRAINING

It's not always easy to do the right thing. In fact, sometimes it's downright hard! But God will help you in those moments. THE GIFT OF HELPING PEOPLE

God planned for us to do good things and to live as he has always wanted us to live. This is why he sent Christ to make us what we are.

Ephesians 2:10

Have you thought about how God blesses the world by giving us people who help us? He gives doctors smart brains, Military people strong bodies, artists amazing imaginations. He helps some people speak, others invent, others teach. He helps your parents take care of you. Who's your favorite helper?

Guess what? God has a job for you to do, too, when you get big... and even now! He wants us to practice using things we are good at to help others. Maybe you can patiently take care of people when they are sick. Maybe you are good at teaching your little brother how to play a new game. Maybe you are usually joyful so you're good at making people laugh when they are sad! Maybe you are a good friend or are good at telling others about Jesus!

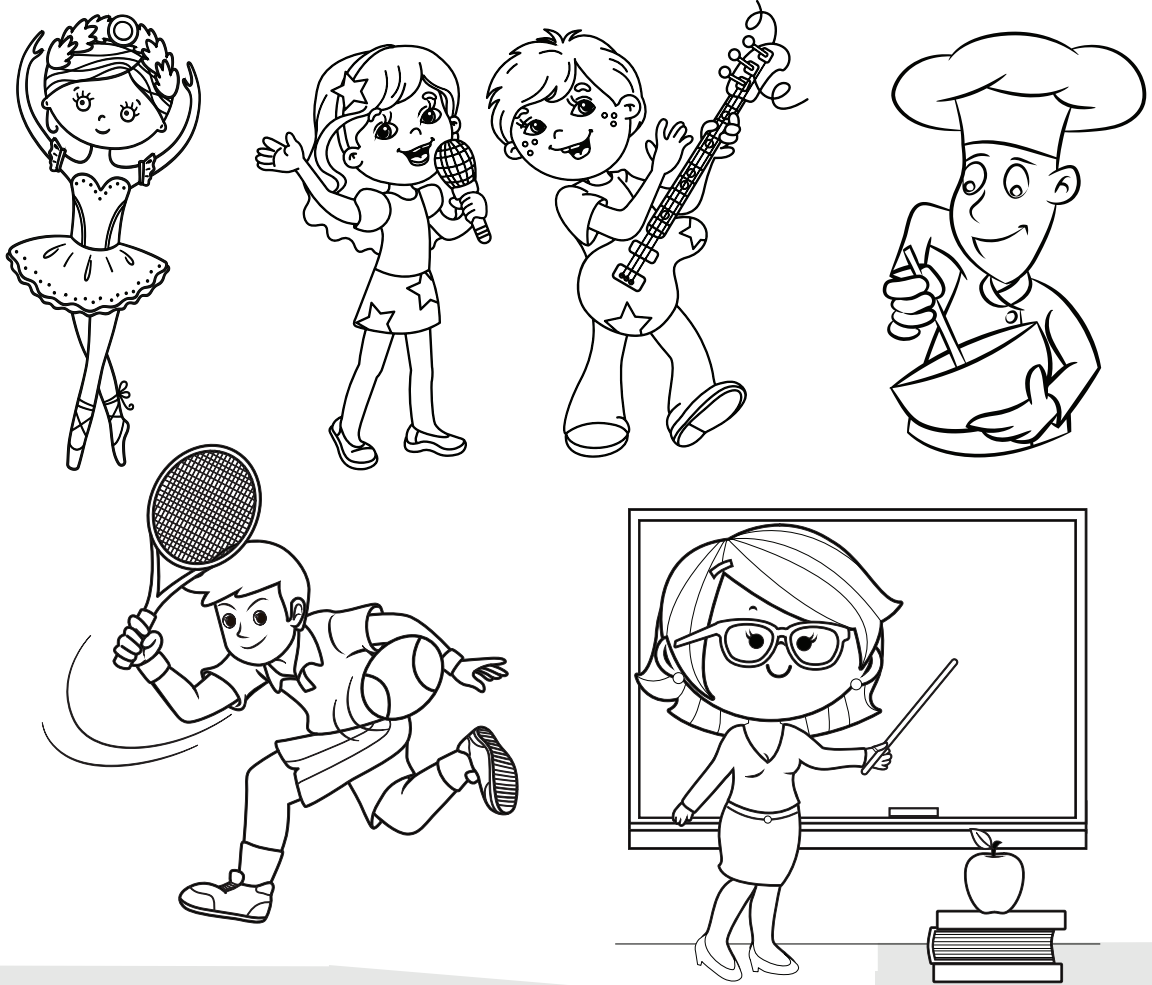

Isn't it amazing how much God loves us to give us these good gifts? He made you just the way you are . . . and there is a reason for it! By using your gifts for God, you will do good things that bring him joy... and help others along the way!

Lord, thank you for the helpers that are in my life. Show me how I can help people, too!
