**WHAT IS A
MASTERPIECE?**

A masterpiece is something that took a lot of time, practice, and skill to make. Different types of things can be considered masterpieces, like a painting, a house, or even a car! God is the greatest masterpiece maker of all time, because he made you—his greatest creation of all.

DRAW THREE THINGS ABOUT YOURSELF YOU'RE GRATEFUL GOD MADE:

One thing that makes a masterpiece so special is that it's one of a kind. This devotional series will help you discover, through God's Word, the special ways God made you to be his masterpiece.

WHAT ARE THREE THINGS YOU WANT TO LEARN FROM GOD THIS WINTER?

EXAMPLE: To learn about God's love for me

HOW TO USE THIS BOOK

This book is created especially for Military children, like you, who face unique battles in life. Follow these simple guidelines to get the most out of this book.

1. READ

Read the devotional each week to learn more about loving God, yourself, and other people.

2. REFLECT

Think about the devotional and how you can do the things God is teaching you to do.

3. EXPLORE

Complete the weekly “Hero Training” to explore how you can live out your God’s Word each week.

4. LEARN

Ask an adult to help you look up each Bible verse in the “Keep It Going” section to learn more about God.

5. HAVE FUN

Use the doodle sections to write down any thoughts or questions you have about God and use the coloring sheets to have fun!

TIPS & IDEAS

Think about how God is helping you to love other people.

Talk with your parents or siblings about what you learned and ask them to help you love them better each week.

If you don't understand something you read, don't be afraid to ask an adult to help you understand it.

Memorize the Scripture verse each week.

Have fun and mark up this book with your own thoughts and doodles!

SAFE AND SOUND

You are my hiding place! You protect me from trouble,
and you put songs in my heart because you have saved me.

Psalm 32:7

The people who serve in our Military are super brave. We can be very proud of all the tough things they do to keep us safe and to help other people. They go to scary places, do hard work, and sometimes fight bad guys. It takes a lot of courage!

Sometimes those brave people get hurt. Sometimes their bodies get hurt, sometimes their hearts. They often deal with a lot of sadness and fear. Even when they get back home, at times it may be hard for them to be okay. They might be afraid of loud noises, or angry at things going wrong, or just very sad.

God can help them! It might take a long time for them to get better, but God will be with them every step of the way. And he is with you, too! He promises to be our strength and to save us. He will keep us close and bring us through the hard times.

So, if you see your warrior mom or dad having a hard time, pray for them. Ask God to help them heal and to give your whole family strength and hope.

God, thank you for keeping me safe. Please help the brave people in the Military.

GOD'S WONDERFUL WORLD

Armadillos dig burrows to live in so they can stay warm in the winter and cool in the summer.

Sometimes they let other animals like rabbits live with them in their hiding places.

A GREAT ADVENTURE

Think how much the Father loves us. He loves us so much that he lets us be called his children, as we truly are.

1 John 3:1a

"We're going on a trip in our favorite rocket ship!" sings one cartoon. Lots of different TV shows have kids going on an adventure. Trips can be scary, fun, interesting, exciting—all rolled into one!

Moving can also feel like an adventure. How do you feel when you have to move? Do you get sad? Scared? Curious? Excited? You might feel all those things! Sometimes it's not easy when things change, like your house, who you play with, and what the weather is like.

But think about this: God is already at your new place, and he is getting things ready for you. He is your heavenly Father, and like any good daddy he will take care of you. He has provided a home for you, friends to meet, and new things to see and do. Now how do you feel about it? It's easier to be excited about the adventure when you know God is walking with you through it.

God calls you his child and loves you so much. He watches over you like a good father. So, you don't need to worry about your next adventure. He is with you!

God, thank you for letting me be your child. Even though moving is hard, I know you love me and will take care of me.

HERO TRAINING

Happy Moving Day! You're just about to arrive to your new house on a new street in a new town. It may be scary, but remember this week's devotional talked about how God is already there! In the picture below, draw some ways God is getting your new place ready for you, like preparing friends, food, and a school. Then thank him for always taking care of you!

They travel about 3,000 miles
every single year!

DOODLE SPACE

GOD TAKES CARE OF ME

The Lord cares for his nation, just as shepherds care for their flocks. He carries the lambs in his arms, while gently leading the mother sheep.

Isaiah 40:11

“Only Dad takes me fishing and makes the best pancakes on Saturday morning. If he is far away, life isn't right.”

It's easy to feel that way when a parent deploys. Of course you don't want them to go away. They are a special gift from God!

But when they can't be home with you, God has other ways to take care of you. He promises he will look after you, like a shepherd watches sheep. Shepherds feed, protect, and help sheep all the time.

No one can replace your parent, but God will work in other ways. He will give your other parent or family member who is staying home with you all they need to take care of you. Maybe God will send a friend to play with you on Saturday, or maybe you will enjoy more time with your brother or sister.

No matter what it looks like, you can know God is caring for you.

God, thank you for my family. I don't like to be away from my parent, but I trust you will take care of all of us.

HERO TRAINING

A sheep grows wool that must be cut off every year.

One lost sheep wasn't sheared for a while, and the poor guy was carrying 80 pounds of wool.

That's like you carrying around another you!

GOD GIVES ME FRIENDS

The sweet smell of incense can make you feel good,
but true friendship is better still.

Proverbs 27:9

Friends come in all shapes and sizes.

Sometimes they kind of look like you. Sometimes they don't. Sometimes they are loud or funny or crazy. Sometimes they are quiet and shy. Sometimes they like to do your favorite things. Sometimes they teach you to play something completely new.

God loves us, and he places friends in our lives to help us in different ways. Some make us laugh when we have a bad day. Others give us hugs when we feel sad. We can also be a friend to those who are lonely and hurting. We can give hugs when they are sad. We can pray for them. We can have fun together and work together. (Work is always easier when more people help.)

God tells us to love each other. That means sometimes we must share when you don't want to. Or you must take turns. Or you must play what the other person wants for a while. But all these things are worth it so that you can have wonderful friends . . . and you can be a good friend to them.

How awesome it is to have a God who sends us friends!

God, thank you for my friends! You love me a lot to send me such great people. Help me love them.

Animals usually are only friends with their own kind, but sometimes they make other friends.

A dog once became friends with a wild fox!

DOODLE SPACE

TIME TO WAIT

God makes everything happen at the right time. Yet none of us can ever fully understand all he has done, and he puts questions in our minds about the past and the future.

Ecclesiastes 3:11

Mom says you must wait after you eat lunch before you go swimming in the pool. Dad says you must wait until you're older to play that game. Your teacher says you must wait until all the kids are done eating to go outside for recess.

But it is hard to wait. We want things to happen right now!

If you have ever planted a seed, you know it takes many days for even the first little leaf to come out of the dirt. It takes even longer for it to get big and grow a flower or a vegetable.

God brings good things to us when we are patient. He helps us grow and learn and get strong. He is not in a hurry, and he wants us to wait patiently, too. God controls time!

What are you waiting for? Maybe a parent to come home, or a party, or a friend to move closer? Maybe you can't wait to grow older? Ask God to help you be patient and to enjoy the good things he is giving you today while you wait.

Lord, thank you for all the good things I have right now! And please help me wait for the good things you have coming.

RAIN AND SUNSHINE

Once again Jesus spoke to the people. This time he said, "I am the light for the world! Follow me, and you won't be walking in the dark. You will have the light that gives life."

John 8:12

When it's cloudy and rainy outside, does it make you feel gloomy? Do you get sad when you're stuck inside your house and can't run outside to play? These feelings can come sometimes, but Jesus can help you get through them.

No matter what the weather is, remember that there is someone who cares about your feelings. His name is Jesus! He came to be the light for the world, like he said in today's Bible verse. This means he came to bring us all real life and hope.

Jesus can help us see the good in things, even in rainy days. We need the rain to water the plants and trees and fill our lakes and rivers. And those days are great for playing games or reading books inside. What fun!

We can talk to Jesus when we're having bad days. We can look for all the good things he gives to us, like the sun and the rain, and thank him for being with us. We can feel his love like a hug. And we can thank him when the good times come.

God, thank you for
loving me and giving
me hope!

AN IMPORTANT MEETING

Then he passed in front of Moses and called out,
"I am the Lord God. I am merciful and very patient with
my people. I show great love, and I can be trusted.

Exodus 34:6

What do you think it would be like to meet God face to face? What would you say?

The Bible verse talks about when Moses met with God. Moses loved God so much and God loved him back, so when Moses asked to see God, God let him!

How awesome to get to see God and hear his voice! Can you imagine? God told Moses that he was merciful and patient, and that he showed great love and could be trusted. It must have made Moses feel wonderful.

We can get to know God, too. When we believe him, ask for forgiveness, and spend time reading the Bible and praying, we will learn things about him. God promised to Moses and to us that he will forgive us, that he loves us, and that he will help us... always!

God, thank you for forgiving me and loving me! I want to know you!

HERO TRAINING

GOD'S WONDERFUL WORLD

Fog is really just a cloud that is low to the ground.

So the next time it's foggy outside, remember that you are walking through a cloud!

(And remember that God is near you always, no matter what the weather is!)

GOD FORGIVES US

Christ died for us at a time when we were helpless and sinful. No one is really willing to die for an honest person, though someone might be willing to die for a truly good person. But God showed how much he loved us by having Christ die for us, even though we were sinful.

Romans 5:6-8

If someone hurts you, do you feel like doing something nice for them? Not usually! It's hard to be nice when someone is being mean. We usually get mad and want to hurt them back. We don't even want to be with them. We don't want to give them another chance.

When we do bad things, it makes God sad. But instead of hurting us back or saying he won't be with us or that he doesn't love us anymore, he keeps on loving us. When we say we're sorry, he forgives us.

And even before we were sorry, God gave his Son Jesus to die on the cross for us and take away our sin (the bad things we do).

He always gives us another chance to get close to him. And he wants us to forgive other people, to love them even though they hurt us, and to give them another chance. By doing this, we are more like Jesus Christ. Will you try to forgive others this week? God can help you do it!

God, I am sorry for the bad things I do. Help me forgive others like you forgive me.

HERO TRAINING

Because Jesus died for us on the cross to forgive our sins, the cross is beautiful. It represents God's great love for us! Decorate this cross and thank God for his great love.

GOD OF THE FUTURE

We may make a lot of plans, but the
Lord will do what he has decided.
Proverbs 19:21

Can we tell God what to do? Is he like a genie or a fairy godmother following you around to grant your wishes? Is he just waiting for you to decide what you want to do?

Nope.

God knows everything! He knows the future. He knows what is good for us and for the whole world. He knows the best things for you today and when you grow up.

A lot of times, the things we think we want are not what is best for us. Maybe you want a mountain of candy, but God knows it will make you sick. Maybe you want to hurt someone you are mad at, but God knows if you forgive them you can be best friends again.

Put your trust in your God—the one who knows everything. He has big plans for you and knows what is best for you. You can trust his plans are better than you can even imagine!

God, you know everything.
I'm going to trust in your
good plans for me.

FRESH AND CLEAN

So whenever we are in need, we should come bravely before the throne of our merciful God. There we will be treated with undeserved grace, and we will find help.

Hebrews 4:16

What is prayer? Prayer is talking with God. Did you know God wants to talk to you? He does! All the time! How cool is that?

Sadly, we don't always talk to him enough. Sometimes, we want to do our own thing and don't want to listen to him. But doing our own thing gets us into big trouble.

Have you ever seen a stinky, dirty dog? Maybe he wants to be with you, but you can't stand the smell. He has to be cleaned up, but he can't do that by himself. We are like that dog when we do bad things—stinky and dirty and helpless to clean ourselves up! But when we say we're sorry for what we've done wrong, God cleans us up. He loves us and forgives us of our wrongdoing so we can be with him again.

If God, through Jesus, will help us with that, then God must really love us and really want to be with us. That means we can pray to God for help with anything. That's an amazing love!

God, thank you for cleaning me up so I can be with you. You hear my prayers!

ALWAYS THE SAME

Your love is faithful, Lord, and even the clouds in the sky can depend on you.

Psalm 36:5

Many things are going to change in your life, like where you live, who you play with, and what school you go to.

As you grow, you will change, too. You will learn to do more things. You might decide your favorite color is green even though it had always been blue. You might like different games. You might even learn to like broccoli!

All these changes can make a kid's head spin. You know how it feels when you are spinning around and you get dizzy, and you need to hold onto something solid?

Well, for us, God is always the solid one. He never changes. He won't leave us or forget us. He won't decide he doesn't love us anymore. He won't oversleep and miss coming to see you. He won't move away. God is faithful, which means we can always depend on him!

God is always with you. He will always listen and help you. And he will always, always love you.

God, sometimes change can be so hard. Thank you for never changing. I depend on you!

FOREVER AND EVER

I am Alpha and Omega, the first and the last,
the beginning and the end.

Revelation 22:13

What do you wish would last forever? Ice cream? Christmas? Play time with a friend?

Sadly, things in this life don't last forever. Ice cream melts. Christmas passes. Friends have to leave sometimes.

But the one thing that lasts forever is also the best thing—and that's God! He began time. He made the earth. He was here before the dinosaurs, and he will be here after you get old with gray hair. He will be here until the end of time, forever and ever!

God wants us to live with him forever, too. He asks us to believe him and live for him. Then we'll get to be with him even after we die. In heaven, all good things will never stop, and no bad things will ever happen.

So, thank God for all the good things we have now. They are little tastes of heaven. Keep loving God and looking forward to being with him forever.

God, you have always been alive, and you always will be. I want to live with you forever!

SINGING OVER ME

The Lord your God wins victory after victory and is always with you. He celebrates and sings because of you, and he will refresh your life with his love.

Zephaniah 3:17

Do you ever get so happy or excited you just want to burst out singing? Woohoo! What makes you that excited?

Guess what? God feels like that, too. And do you know what he gets most excited about? You!

Like a soldier who has won the battle, or an athlete who won the game, or a mother who holds her brand new baby in her arms, God has joy when he sees you. He has joy when you decide to be his child and sit with him, and talk with him. He loves when his kids love him, obey him, and say they are sorry when they mess up. He celebrates!

When you spend time with God, it makes him happy. Even if you've done wrong things, you can ask him to forgive you. You can always come back to him no matter what. You can choose to love him.

And spending time with God will make you happy, too. You always have a place where you belong with God. Imagine! The God of all creation celebrates you. Thank you, God!
