***WHAT DOES GOD'S
WORD SHOW US
THROUGH
MIRACLES?***

**MIRA-
CLES**

A miracle is something amazing that happens because of God's power, not something people can do on their own. The Bible tells us about many miracles, like when Jesus walked on water or healed sick people, to show us how powerful and loving God is. God did miracles to help people trust Him and know He was with them.

DRAW ONE THING YOU HAVE BEEN PRAYING ABOUT THIS SEASON:

Miracles show us that nothing is too hard for God and He cares for us deeply. Even though we might not see big miracles every day, God still helps us in small, special ways—like giving us courage when we're scared or sending a friend when we're lonely. When we read about miracles in the Bible, we learn to trust God and see the ways He's helping us today!

WHAT ARE THREE THINGS YOU WANT TO LEARN FROM GOD THIS SUMMER?

PARALYZED
MAN

WEEK 14

JESUS THE DOCTOR

The man got right up. He picked up his mat and went out while everyone watched in amazement. They praised God and said, "We have never seen anything like this!"

Mark 2:12

If it's crowded when you go to the doctor, do you make a hole in the wall to get into the office? That sounds funny!

And when you see a doctor, does he or she just talk to you and suddenly you are all better? Well, that's what Jesus did!

In fact, Jesus did that so much that people from all over were coming to get well and hear him talk. Some guys had a friend who couldn't walk at all. It was really hard because he couldn't work or run or play. So, his friends decided to bring him to Jesus. But when they got to the house, so many people were crowded in there that they couldn't get in the door.

They made a new plan: they got him on the roof. Then they made a hole in the roof and carefully lowered their friend down to Jesus. Jesus talked to him for a minute, then told him he was well. Sure enough, he stood up, grabbed his mat, and went home, thanking Jesus!

We can always trust that Jesus will help us and our friends!

Jesus, you are the one who makes people better. Thank you for helping us with your amazing power.

HERO TRAINING

WRITTEN IN STONE

When God had finished speaking to Moses on Mount Sinai, he gave him the two flat stones on which he had written all his laws with his own hand.

Exodus 31:18

What do you think it would be like to meet God? Well, the Israelites got to do it! After they got through the Red Sea, they went to a mountain called Sinai. God told Moses he would meet them there. Moses had the people get cleaned up and put on fresh clothes—kind of like what your mom would say if you had company coming.

Then God came down to the top of the mountain. There was fire on the mountain! A huge cloud of smoke! Lightning flashed and thunder roared. The mountain shook. They heard a trumpet blasting. How exciting! How terrifying!

God called Moses and the leaders up the mountain to see him. Under God's feet was a bright and beautiful pavement of sky-blue jewels. And the leaders ate a meal on the mountain.

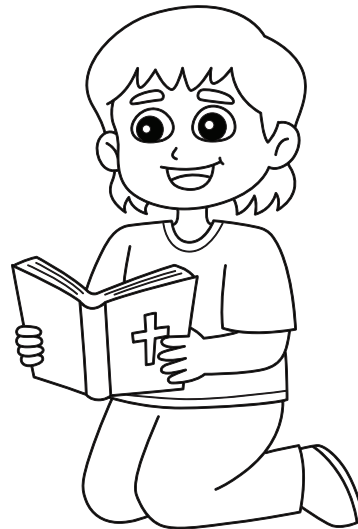

What do you suppose God told Moses? He gave some instructions for the people—a bit like the military gets orders. God wrote them down with his finger on two flat stones! Moses took the stones with him down the mountain. People call these instructions the Ten Commandments.

God, meeting you face-to-face someday will be pretty amazing! Please help me do the right things, and please forgive me when I mess up.

THE GIFT OF LIFE

The boy sat up and began to speak. Jesus then gave him back to his mother.

Luke 7:15

One day, Jesus was walking with a big crowd toward a small town when they met another group walking for a sad reason—a funeral. A young man had died and they were carrying his body out to be buried.

Jesus saw the dead man's mother. She was all alone now, because her husband had also died and this was her only child. She was crying.

She didn't know who Jesus was, but Jesus felt sorry for her. So he said to her, "Don't cry." Then he went and touched the stretcher with the body. The people who were carrying it stopped. People were shocked. Touching a dead body would make you dirty.

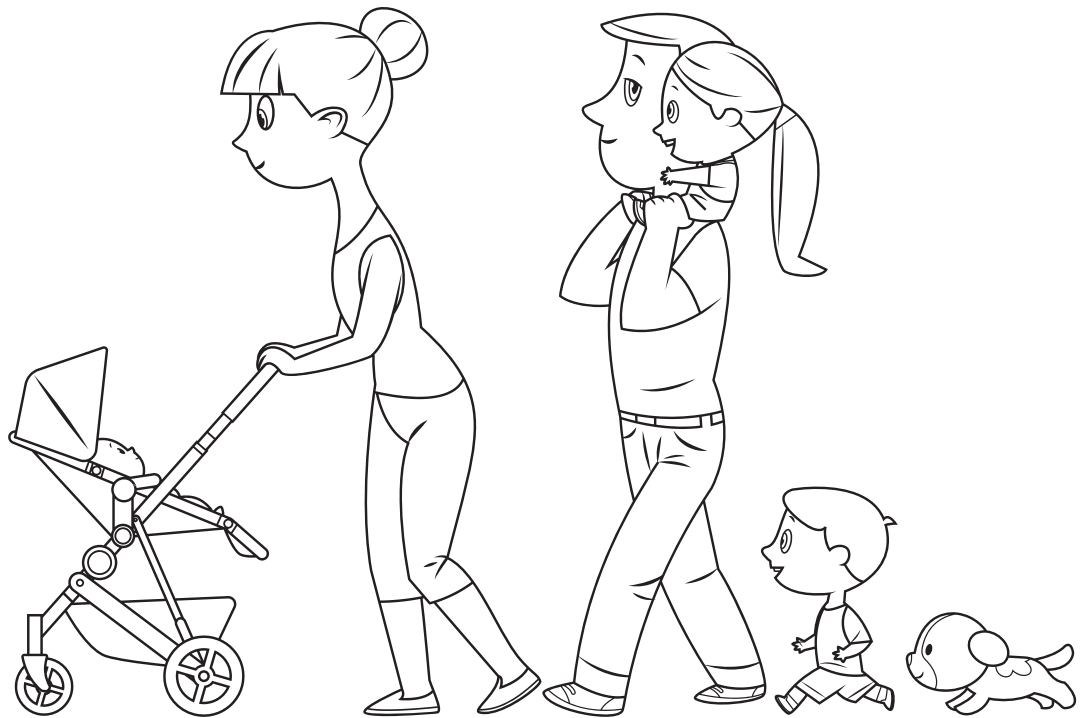

But then Jesus said, "Young man, get up!" The dead body did not make Jesus dirty—Jesus brought the body back to life, just by saying so! The young man sat up and started talking to people. Jesus handed him over to his mother. He gave her the best gift—the life of her son!

Thank you, God, for life!
And thank you for caring
for the lonely, sad people.

TAUGHT BY A DONKEY

The angel said, "You had no right to treat your donkey like that! I was the one who blocked your way, because I don't think you should go to Moab."

Numbers 22:32

Can God make animals talk? Well, at one time, God's people, the Israelites, were winning battles. That made the wicked kings scared! One of them, King Balak, decided to try magic. He sent for a man named Balaam to curse the Israelites.

When the king asked Balaam to come, Balaam told him that God said no. But the king kept trying to change Balaam's mind by giving him money. Balaam finally decided to go, even though he still said he couldn't curse the people.

Balaam rode his donkey towards the king's palace, but three times his donkey wouldn't behave. Once it went into a field. One time it pushed against a wall. Each time Balaam beat the animal and made it keep going. The last time, the donkey just lay down . . . and then God told it to speak! It said, "What did I do? Why are you beating me?"

Suddenly, God showed Balaam an angel standing in their way and holding a sword. The angel told him not to harm God's people. God used the donkey to protect Balaam from harming the Israelites.

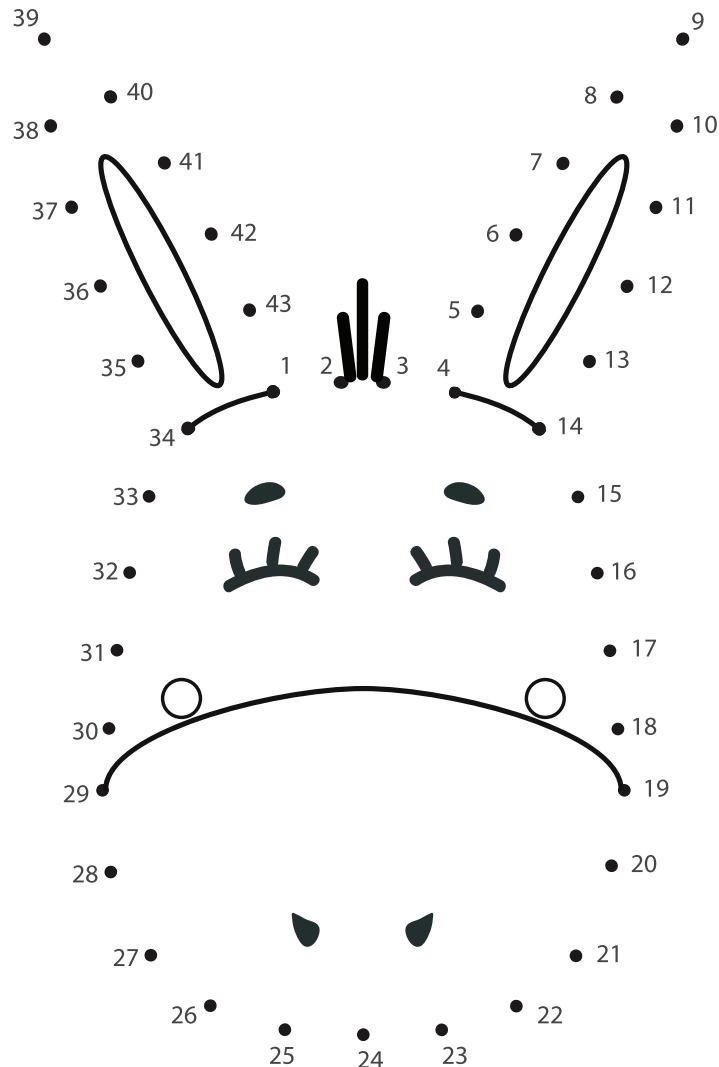

God can do anything because He is all-powerful. He can use anything to help us learn and follow His ways!

God, thank you for keeping your people safe and showing them what to do. Please keep doing that for me!

THE MAN WITH A WITHERED HAND

WEEK 18

WORKING ON HEALING

Then Jesus told the man, "Hold out your hand." The man did, and it became as healthy as the other one.

Matthew 12:13

One Sabbath day, Jesus was at a meeting where he met a man with a bad hand. The man couldn't hold things with it. He couldn't even move it! People stared at it because it was shriveled up like a bird's foot.

The people in charge of the meeting place knew Jesus did miracles. But the Ten Commandments said that no one is allowed to work on the Sabbath, the day of rest. And these people had made extra strict rules—they said you couldn't even pray for the sick on the Sabbath because that was work! They wanted to get Jesus into trouble, so they asked him about that rule.

Jesus looked at them. He did not like that they were more worried about rules than about people. God made the Sabbath law to help people, not to hurt them.

Jesus told the man to stretch his hand out. When he did, his hand was healed! It wasn't shriveled any more, and it worked perfectly!

Jesus showed the people God's care and power again.

God, thank you for giving us good rules and being so kind.

GOTTA GO THROUGH IT!

The priests blew their trumpets again, and the soldiers shouted as loud as they could. The walls of Jericho fell flat. Then the soldiers rushed up the hill, went straight into the town, and captured it.

Joshua 6:20

There is a story that says, when you're going on a bear hunt and you come to a wall, you can't go under it and you can't go around it—so you have to go over it.

Well, the Israelites were on kind of a bear hunt, and they came to a wall. See, God was giving them land to live in. Before they could move in, they had to get past a city full of enemies, with a huge wall all around it.

They couldn't get over it, under it, or through it. But they could listen to God's orders! He told them to march quietly around the city once a day. They did that for six days.

Wow God! Thank you for showing your soldiers what to do and getting them through that wall. Please help my family's warrior do what they have to do, too.

Then on the seventh day, God told the army and priests to march around seven times. Then they were to blow trumpets and shout!

And an amazing thing happened: the wall fell down into a pile of rocks! The Israelites couldn't get past the wall on their own, but when they obeyed God, he destroyed it, and then they captured the city.

God helped them win the battle and the land, and he can help us get through big problems when we listen to him and trust in his power.

THE ONE STORMS OBEY

Jesus got up and ordered the wind and the waves to be quiet.
The wind stopped, and everything was calm.

Mark 4:39

Storms can be scary. Especially when you didn't expect them.
Especially when you're away from home.

Jesus and his closest friends were nowhere near home one time when they got caught in a storm. They had decided to cross a lake by boat. Some of the guys were fishermen. They grew up in boats. They were always on this lake. So they took care of the boat while Jesus found a cushion in the back and fell asleep.

Suddenly, the wind went crazy! It was making the waves really bad, and water was coming into the boat. They were pushed around and up and down. The men couldn't fight the wind. They lost control of the boat and thought they were going to drown!

But then they woke up Jesus. He stood up and said to the wind, "Quiet! Be still!" The wind stopped and the waves calmed right away. The disciples could hardly believe that their friend Jesus could control the weather with his words.

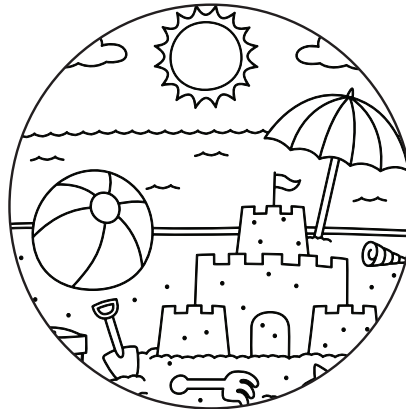

And Jesus is always with us, too! He has the power to calm any storm and keep us safe.

God, I am so happy that storms listen to you. Thank you for keeping us safe!

SUN STANDS

WEEK 21

THE LONGEST DAY

So the sun and the moon stopped and stood still until Israel defeated its enemies.

Joshua 10:13a

What do you think it would be like to fight against an enemy with God beside you? Joshua and the Israelites got to see it happen.

One time, the Israelites had to march all night to get to where the enemy was. They must have been tired and then they had to go right into battle. But God was already working. He made the enemy confused and the Israelites easily started to beat them.

The bad guys tried to run away, but then God dropped big hailstones that killed some of them. And Joshua's army kept chasing them down.

Joshua's army was doing so well, but it felt like there wasn't enough time in the day to chase down all the bad guys. Joshua was afraid they wouldn't be able to find some of them in the dark. So he asked God for more help. He asked God to stop the sun from going down.

And God did! The Israelites were able to find all the enemies and totally won that battle. We can trust that He will be with us, too, helping us when we face tough things!

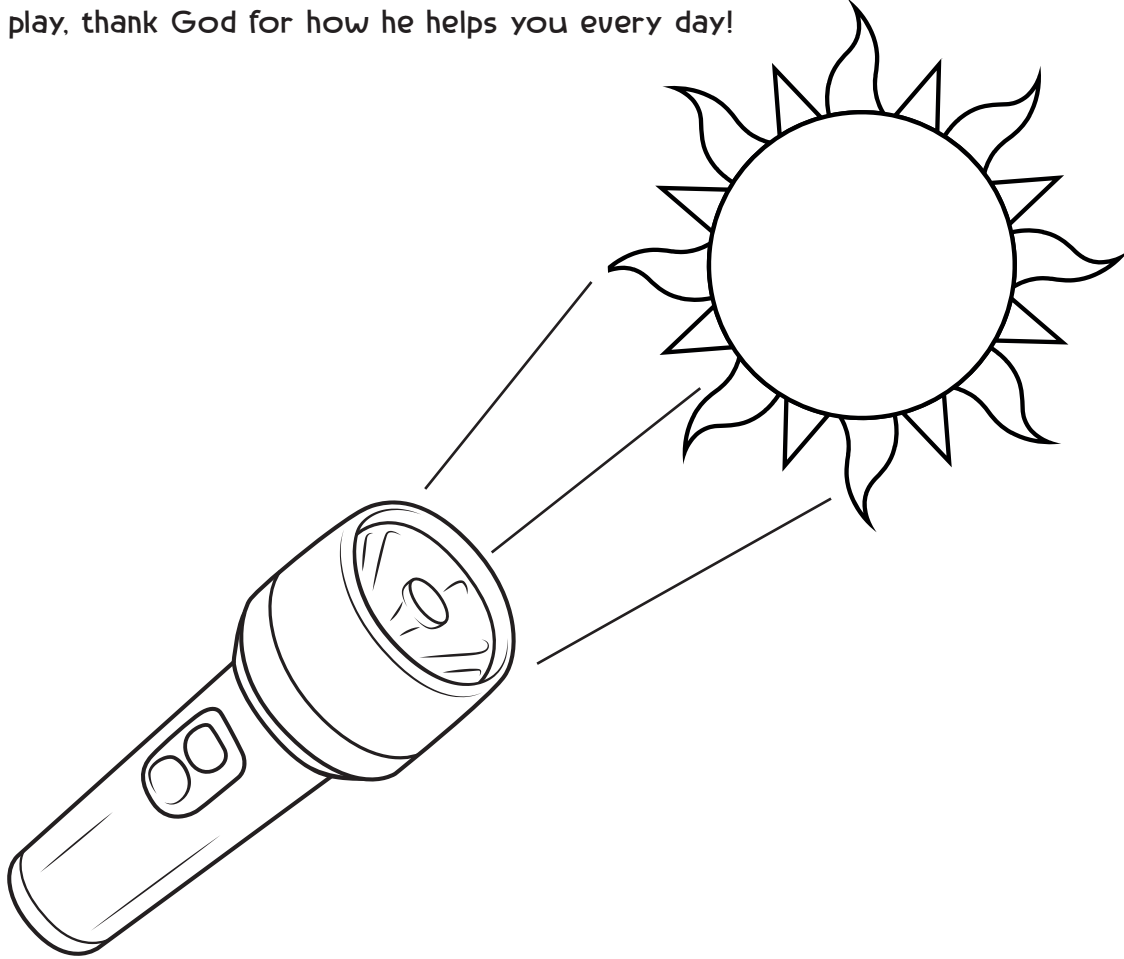

God, thank you for helping your good warriors. Please help my warrior keep us safe too.

WEEK 22

JESUS HEALS HEARTS

Jesus let them go, and they went out of the man and into the pigs. The whole herd of about 2,000 pigs rushed down the steep bank into the lake and drowned.

Mark 5:13

One day, Jesus and his friends crossed a lake to a small town. As Jesus was getting out of the boat, a man came running up, roaring. He was angry! He was mean! He was scary! And he was super strong. No one wanted to be around him. The people in the town had tried to tie him up, but he would break the chains. He just ran around like a wild man.

Was Jesus scared? No. He knew this man needed his help. The man's heart had been taken over by demons—bad spirits. Jesus told the bad spirits to leave. They knew he was God's Son and they asked him if they at least could go into a big herd of pigs there on the nearby hillside. Jesus told them they could, and they left the man. All the pigs ran down the hill and into the lake—and drowned!

The man was free. He stopped yelling and came and sat quietly with Jesus. When Jesus had to leave, the man wanted to go with him. But Jesus told him to go back to his people and tell them how God loved him and had the power to save him.

Jesus is always with us, ready to help when we're scared or need a friend.

GIDEON

WEEK 23

GOD MAKES A WARRIOR

That night, God made the stone floor wet with dew, but he kept the sheep skin dry.

Judges 6:40

Gideon was hiding. God's people were not serving God anymore, so God stopped protecting them. Bad guys came into their land and stole their animals and food. Gideon was trying to hide some of his crops when an angel sat down under a tree near him.

God, thank you for talking to us and teaching us. Help me do what you want me to do.

"The LORD is helping you, strong warrior!" the angel said. Gideon was confused. He didn't feel strong, and his people were losing badly! But God told Gideon to use his strength to defeat the enemy.

Gideon wanted to know if God really meant it. So he brought the angel a big feast. The angel touched the food with his stick, and fire came down and ate it all up! Then the angel disappeared.

That was pretty impressive. But Gideon still wasn't sure. He asked God to make some sheep's wool wet and the ground dry. God did that. Then he asked God to make the fleece dry and the ground wet. God did that too!

Gideon finally started to obey. God had him take a small army to beat the huge army of bad guys. God's people didn't have to hide anymore, and they went back to worshipping him.

God made Gideon into a strong warrior, and he can help us be brave and strong, too, no matter how small we might feel.

THE HEALING TOUCH

Jesus said to the woman, "You are now well because of your faith. May God give you peace!"

Luke 8:48

Being sick is no fun. You feel weak. You can't go play with your friends.

Once a woman had been sick for 12 years. Nothing seemed to help. She spent all her money on doctors, but they couldn't make her better. She was tired, weak, and wasn't allowed to touch people or be around them.

The woman had one last hope: Jesus was coming through her town. She had heard about Jesus and believed he could heal her. But he was surrounded by a lot of people. How could she get near him? "Still," she thought, "if I can just touch his clothes ..."

God, help me trust you.
You love us and have the
power to heal people!

She pushed her way into the crowd and touched his robe. Instantly, she knew she was better!

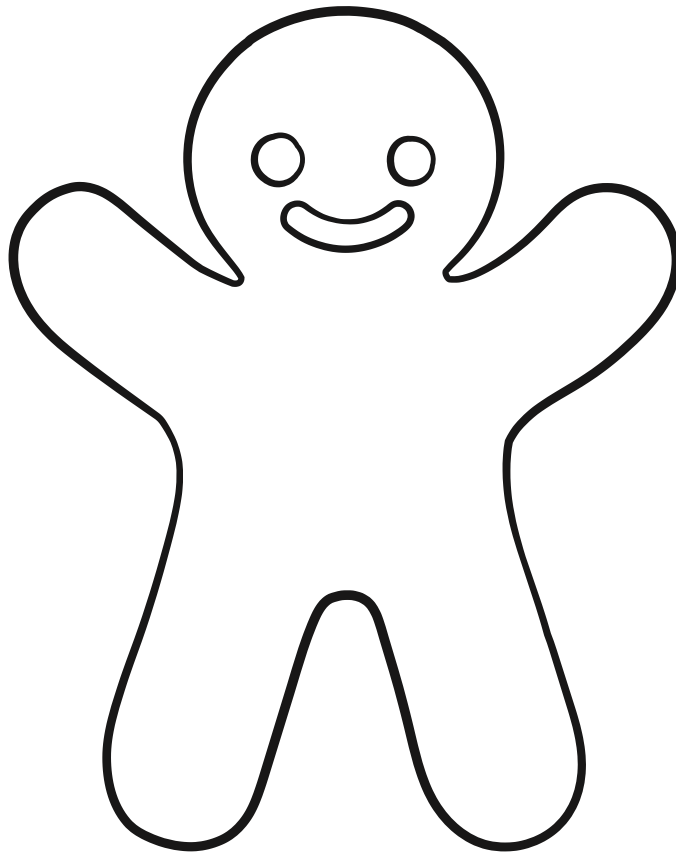

Then Jesus stopped walking and said, "Who touched me? Who used my power?" The woman was afraid of getting in trouble, but she fell on her knees and told him everything. But Jesus wasn't angry. He called her his daughter and said that her trust in him healed her.

And God wants us to put our trust in him for all things!

STRENGTH FOR GOOD

Then he shouted, "Let me die with the Philistines!" He pushed against the columns as hard as he could, and the temple collapsed with the Philistine rulers and everyone else still inside. Samson killed more Philistines when he died than he had killed during his entire life.

Judges 16:30

If you were super strong, what would you do?
God made Samson the strongest person in the world!
God wanted him to use his strength to protect his people from their enemies. God gave him some rules too, like he was never supposed to cut his hair.

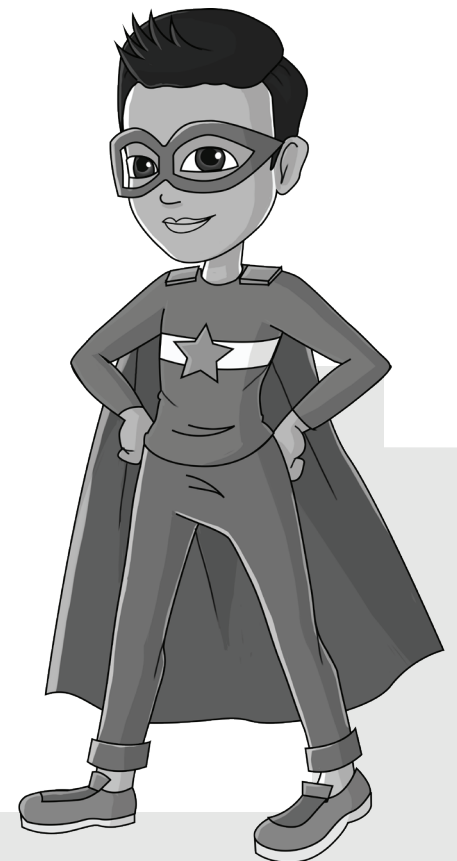

God, thank you for forgiving us and helping us do good, like you did for Samson.

But Samson got himself in trouble when he fell in love with an enemy woman. She got him to tell her his secret about not cutting his hair. And then when he was sleeping, she cut it.

The bad guys caught him and poked his eyes out. Then they put him in prison. Samson had disobeyed God, and now he was in big trouble.

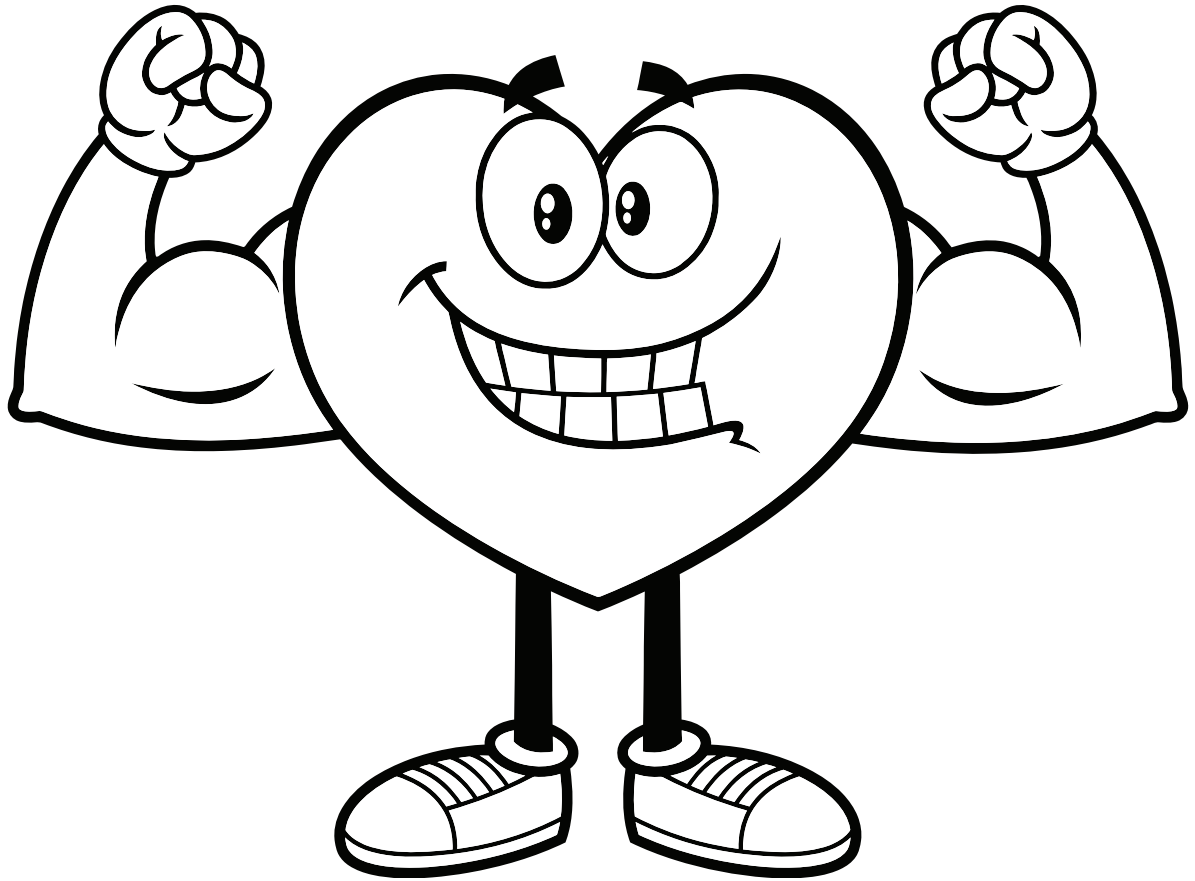

But Samson prayed for God to help him and his people one more time. His hair, and his strength, started to grow again. Then one day the bad guys threw a big party. They brought Samson out to make fun of him. Samson took hold of the big pillars holding up the building, and he pushed them over. All the wicked people died.

Even when we make mistakes, God can help us be strong again if we ask Him.

WEEK 26

A GREAT BIG MEAL

After everyone had eaten all they wanted, Jesus' disciples
picked up twelve large baskets of leftovers.

Matthew 14:20

Imagine Jesus asking you to share your lunch with
everybody in your town! Nobody would get much,
unless Jesus did something amazing.

And that's just what he did in the Bible. Jesus had gone
to a hill, far from any town. Big crowds of people came
to find him. Some wanted to be healed, and some just wanted
to see what was happening.

But when it was time to eat, there was nowhere for them to
get food. Jesus said to his closest friends, "You should feed
them!" His friends couldn't figure that out. They couldn't do it,
but Jesus could.

Jesus did a miracle and made that little bit of food into a
whole lot of food! More than 5,000 people ate. That's like a
whole town. They all had so much, there were even leftovers.
